

# BFHS Student Transportation Information

We have some changes this year on our shuttles. Students will now need to be registered to ride the shuttle to and from BFHS. We have also added a shuttle service to Gilbert Campus. Once students are registered online with their transportation waivers acknowledged, they will be added to a shuttle bus roster. Students will not be able to ride without completing the registration process.

## San Tan Valley Early Morning Route

BFHS will continue to offer paid morning busing for junior high and high school students in San Tan Valley. These routes are limited to the stop locations below. Students must be registered and their respective spot paid before riding. Routes begin the first day of school. The monthly fee is \$35/person or \$50 for two or more siblings from the same household. These bus routes are for morning pick up only. Please arrive five minutes early and have your student ready to board when the bus arrives at your stop. This year ALL students will need to register online for the shuttle and fill their transportation waiver to be assigned to a route.
